Inhaltsverzeichnis

Table of contents

Bezeichnung	Designation	Seite: Side:
Grundgerät mit Aushubsystem für Boomer 25	Basic unit with Excavation system for Boomer 25	7-43
WAHLWEISE ERFORDERLICHES ZUBEHÖR		
OPTIONALLY REQUIRED ACCESSORIES		
Mähwerkseinsatz Heckauswurf	Mower deck insert for rear ejection	44-48
Mähwerkseinsatz Mulchen	Mower deck insert for mulching	49-54
Mähwerkseinsatz Seitenauswurf	Mower deck insert for side ejection	55-60
Mähwerkseinsatz Randloses Mähen	Mower deck insert rimless mowing	61-68
OPTIONALES ZUBEHÖR		
OPTIONALLY ACCESSORIES		
Saugstutzen nur in Verbindung mit Mähwerkseinsatz Seitenauswurf	Suction nozzle only in conjunction with mower insert Side discharge	70-74
Schnellwechselsystem		75-76

Der Anbau des MOW und das einstellen im Traktor ist in der Betriebsanleitung erläutert:

The installation of the MOW and the adjustment in the tractor is explained in the operating instructions:

Wichtig Important

Montagearbeiten an sicherheitsrelevanten Teilen wie z.B Fahrwerken (Achsen, Radaufhängungen, Räder usw.), an Zug- und Hebeeinrichtungen (Deichseln, Heckdreipunkt, Frontkraftheber, Zwischenachsauhebungen) und Bremsen dürfen nur von Personal mit nachfolgender Qualifikation ausgeführt werden:

- Sie haben eine fachbezogene Ausbildung, wie z.B Landmaschinenmechaniker, KFZ-Mechaniker usw.
- Personen ohne qualifizierte Ausbildung müssen von einer Person mit qualifizierter Ausbildung beaufsichtigt werden.
- Sie haben diese Montageanleitung gelesen und verstanden.

Die Sicherheits- und Unfallverhütungsvorschriften sind in jedem Land gesetzlich geregelt. Für die Einhaltung der gültigen Vorschriften ist der Werkstattleiter bzw. die bestellte Fachkraft für Arbeitssicherheit des ausführenden Betriebs verantwortlich.

Installation work on safety-relevant parts such as chassis (axles, wheel suspensions, wheels, etc.), on towing and lifting equipment (drawbars, rear three-point hitch, front power lift, intermediate axle lift) and brakes may only be carried out by personnel with the following qualifications

- They have specialist training, e.g. agricultural machinery mechanics, car mechanics, etc.
- Persons without qualified training must be supervised by a person with qualified training.
- You have read and understood these assembly instructions.

The safety and accident prevention regulations are regulated by law in every country. The factory foreman or the appointed specialist for work safety of the company carrying out the work is responsible for compliance with the valid regulations.

Symbolik

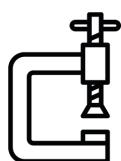

Symbolism

DE

Nachfolgend finden Sie die in der Montageanleitung verwendeten Symbole. Bitte machen Sie sich mit diesen Symbolen vertraut, bevor Sie die Montage beginnen.

EN

The following are the symbols used in the assembly instructions. Please make yourself familiar with these symbols before you start the assembly.

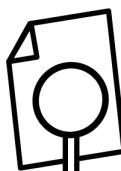

**Bringen Sie das Gerät mit geeigneten Hilfsmitteln in eine sichere Montageposition.
Die Abbildungen in der Anleitung sind nur beispielhaft. Von ihnen kann keine sichere
Montageposition abgeleitet werden.**

Use suitable tools to bring the device into a safe mounting position. The illustrations in the instructions are only exemplary. No safe mounting position can be derived from them.

Entfernen Sie die Montagehilfsmittel.

Die Montageschritte sind in der genannten Dokumentation erläutert. Sollte Ihnen diese Dokumentation nicht vorliegen, wenden sie sich an die matev GmbH.

The installation steps are explained in the documentation mentioned above. If you do not have this documentation, please contact matev GmbH.

Montageschritte für die keine Werkzeuge benötigt werden.

Assembly steps for which no tools are required.

Betriebsanleitung lesen

Read operating manual

Verwenden Sie geeignete Werkzeuge.

Verwenden Sie geeignete Werkzeuge und halten Sie für die Schraubenverbindungen das angegebene Drehmoment ein. Das Drehmoment gilt für trockene Schrauben.

Use suitable tools and observe the given torque for the screw connections.

Die Abbildung dient der Verdeutlichung des nachfolgenden Montage-schritts. Bitte montieren Sie dieses Teil wie im nächsten Montageschritt dargestellt.

The illustration serves to clarify the following assembly step. Please mount this part as shown in the next mounting step.

Einstellen nach Maß! Siehe Betriebsanleitung.

Adjustment made to measure! See operating instructions.

Maschinenspezifisches oder optionales Zubehör.
